

The International Symposium on Applied Chemistry and Materials 'ISACM2025', organised by the Applied Chemistry and Materials laboratory labCAM at the University of Boumerdes on 10 and 11 November 2025.

This event provides a collaborative platform for academics, researchers, and industry professionals to exchange and share groundbreaking discoveries in the fields of materials science and applied chemistry.

The goal is to encourage innovation and address challenges in vital sectors such as energy, healthcare, electronics, construction, and climate. By linking fundamental research with practical applications, the event focuses on creating sustainable, climate-neutral, and zero-consumption solutions, paving the way for a more resilient future.

IMPORTANT DATES

- **20 March 2025:** First announcement
- **02 April 2025:** Second announcement
- **15 April 2025:** Call for abstracts
- **15 July 2025:** Submission Deadline
- **15 August 2025:** Notification of acceptance
- **16 August to 20 September 2025:** Opening for online payment of registration.
- **15 October 2025:** Final programme

The symposium addresses critical themes essential for achieving global sustainability goals by exploring some themes through the lens of materials research, generating groundbreaking ideas and transformative solutions for societal challenges, including:

Topic 01: Materials Physics & Chemistry

- Inorganic, Organic, and Hybrid materials
- Organic and Inorganic theoretical chemistry
- Numerical Methods and Simulations Applied in Materials Technology
- Materials Characterization & Testing

Topic 02: Materials processing & technology

- Materials, Polymer synthesis and Processing
- Metallurgy
- Composite, coating and Ceramics materials
- Sustainable Construction and Building Materials

Topic 03: Advanced Materials for Energy & Environment

- Materials for Energy Conversion and Storage
- Advanced catalysts and Smart Materials for energy
- Environmental remediation and pollution control materials
- Advanced Techniques for Industrial water and Waste Treatment
- Surface materials and technology

Topic 04: Functional Materials and AI

- Electronic, thermoelectric Materials and Devices
- Multiferroics and photonic materials
- Quantum Materials
- Optical and Magnetic Materials

Topic 05: Biomaterials, Nano Materials & Nanotechnologies

- Sustainable and Biodegradable Biomaterials
- Materials for Bioenergy and Biocatalysis
- Nanocomposites, Nanoparticles, Nanocrystalline Materials, Carbon nanostructures and Nanoclusters

Categories: Abstracts should be submitted under one of the designated categories listed for the conference.

Language: Abstracts must be submitted in English.

Template: Use the provided Word template for abstract submission. Abstracts must be uploaded in Word format.

Download Extended Abstract Template

Page Size: The file must be cropped to fit an A4 page size (297mm x 210mm) and should not exceed one page.

Font and Style: Follow the font size and style guidelines provided in the template.

Submission Method: Only abstracts submitted via the online submission portal will be accepted.

Deadline: Ensure the abstract is submitted before the deadline.

File Size: The abstract file must not exceed 5MB in size.

Registration: Conference registration is mandatory for all accepted presenters.

Please follow these guidelines carefully to ensure your abstract is considered for the conference.

Notification

An Acknowledgement email will be sent to the submitting main author's registered email address upon successful submission. If you do not receive this email, please contact us at ISACM2025@univ-boumerdes.dz for assistance.

PUBLICATION

The full papers will be published in indexed journals after reviewing (including SCI-exp, ESI, Scopus, indexed)

- Student: 6000,00 Da
- Industrial: 16000,00 Da
- Listener: 6000,00 Da

International Participants Full fees: 200 euro

Registration for the Symposium is MANDATORY for all Accepted participants. All participants MUST complete their symposium registration and pay full fees by 20 September 2025.

Method of Payment

Participation fees must be paid to the following address

Name : Université de BOUMERDES.

RIB account : 00835001135000023564

After successful payment, please send the official receipt to the following email: ISACM2025@univ-boumerdes.dz.

The registration fee includes:

- Full access to the conference
- Conference bag
- Daily coffee breaks and lunches
- Certificate of participation
